

# Model VOPEX-4V/H

## Video Splitter - Drive Multiple Monitors from One PC

### FEATURES

- 2, 4, 8, or 16 Port Versions
- Model to 1024 x 768 or 1600 x 1200
- VGA to 500ft., SVGA to 250ft (custom cables over 100ft)

### DESCRIPTION

The VOPEX Series of video port expanders enable 2, 4, 8, or 16 VGA or SVGA monitors to be driven by a single PC. The same image is displayed on all monitors. Standard cables provide extension up to 100ft. Custom cables will allow standard VGA to be extended to 500ft and SVGA (up through 1600 x 1200) can be extended to 250ft. A six foot cable is provided to connect the PC video out to the VOPEX unit. All outputs from the VOPEX to the monitors are individually buffered.
